

Upper South River Special Regulation Area

Exit 94

I-64

State Route 340 (Stuarts Draft Hwy)

Ladd Road

The Upper South River Special Regulation Area is only possible because of the generously granted permission of numerous private landowners. A valid landowner permit is required for access to the fishery. Please respect property rights by restricting out-of-stream movement to established angler trails as depicted on this map or indicated by signs along the river. Other important provisions are listed on the permit and the reverse side of this map page.
